JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

to prevent it from biting persons and is accompanied by the owner or some person above the age of 14 years.

2. Any dog not so muzzled or leashed shall be taken up by any policeman or other duly authorized person and forthwith delivered to the poundkeeper. Every dog so taken and delivered and impounded shall be kept and kindly treated for a period of 48 hours from the time of impounding, and may be redeemed upon paying the sum of \$2 to the poundkeeper, \$1 thereof to be paid by the poundkeeper to the city treasurer. If any dog shall not be redeemed within said period of 48 hours, it shall be killed in the manner now provided by ordinance.

3. Whenever any licensed dog wearing a tag shall be impounded, the poundkeeper shall immediately notify the city clerk of the license number of such dog, and it shall be the duty of the city clerk to notify the owner forthwith that such dog has been taken up and impounded.

Garbage—Care of—Receptacles. (Ord. Aug. 27, 1914.)

1. That every proprietor or person conducting any hotel, restaurant, boarding house, or any similar place within the city of Trenton, which shall have accommodations for the feeding of 10 or more people, shall provide, for the use of said hotel, restaurant, or boarding house, metal receptacles for the reception of garbage, which receptacles shall be of the capacity of at least 3 gallons and not more than 10 gallons, and which shall be provided with tight covers.

2. That all garbage accumulated in the conducting of any of the foregoing places mentioned in the section preceding shall be kept and stored in receptacles of the character described herein, and at all times kept tightly covered: *Providing, however*, That nothing herein contained shall be construed to alter or repeal the provisions of an ordinance entitled "An ordinance concerning garbage and other waste," passed March 28, 1913.¹

3. The interior of such metal receptacles shall be kept at all times free from rust, and the entire interior and exterior surface thereof shall likewise be kept clean and sanitary.

4. Any person, partnership, or corporation violating any of the provisions of this ordinance shall be subject to a penalty not exceeding \$100.

VIRGINIA, MINN.

Sewers—Connections with. (Ord. 152, Sept. 8, 1914.)

SECTION 1. It shall be the duty of the board of health of the city of Virginia, when complaint is made that the surface of any premises within the city has become or is about to become the receptacle of filth or of any matter, or the surface soil has become saturated with any matter of any kind deleterious to the public health or to tend to spread among the people of the city or contaminate the vicinity thereof by infectious or contagious diseases, it shall be the duty of the board of health to examine such premises and may declare the same to be a public nuisance and to order such nuisance to be abated.

SEC. 2. That in case the board of health shall declare any premises within the city to be a nuisance by reason of any of the facts stated in section 1, and where it appears to the board of health that the only practicable way of abating such nuisance is by causing the houses or residences on such premises to be connected with sewers and to have in the houses and residences on such premises proper bowls and sinks and conveniences for the utilization of the sewers, the board of health may order that such sewer connections be made by the owner or occupant of such premises within a time specified by said board of not less than 10 days from notice to the occupant or owner of such premises, in case there be a sewer in any street or alley on which such premises abut.
